Since the death of Henry VIII, it
for glory," as the French ambassador
opportunity. The King of France had
Boulogne, and Dudley now capitalized on
because of the domestic insurrections.
loans had to be negotiated at ruinous rates,
divided as never before by the economic situation.
the Protector had insisted on; the public was
of Church lands intended for public purposes
the nobles instead. Scotland was lost, Boulogne re-

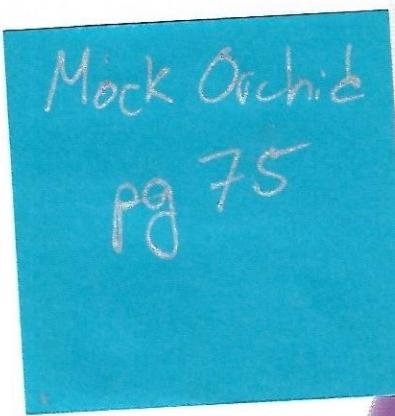

Emperor's friendship jeopardized. The Protector had assumed
authority not intended in the King's will and had broken his promise
to do nothing without the Council's consent. Matters had not been
